My Dear Friends

We all enjoy giving gifts to people we love and seeing the smiles on their faces as they light up with gratitude. In these pages are opportunities to make a difference in scores of children's lives. Not just any children - but, the forgotten of India, Myanmar and America ravished by hunger and neglect. A gift of only $5.00 can bring hope and comfort to a child.

Take this opportunity to get your family, church, youth group, Christian school, Sunday School class, etc., involved in being part of what God is doing around the world through The Witness Project. Each gift regardless of the size, has great significance. Praise God! And may you experience Immanuel's love and grace this year like never before.

June and I thank you for reading this message and we pray you will prayerfully consider meeting some of these needs.

God bless and Merry Christmas.
