"The fruit of the righteous is a tree of life; and he that winneth souls is wise."
(Proverbs 11:30)

PRAISE & PRAYER LETTER

March 2019

Dear Partners in Prayer and Ministry:

It is my JOY to share with each of you some of the great things God has done since our last letter. We are so grateful for the opportunities our dear Lord continues to give us.

Our Central American Team led by Pastor Roberto Gómez was in Honduras the first week in March conducting two Institutes for national pastors and local church leaders. Attending one of them was a dear sister who in spite of blindness has a tremendous ministry among those who share her condition. She has requested permission to translate our material into braille to use in her widespread ministry.

Tegucigalpa, Honduras

Trained: 44 Pastors & Leaders

Commitments: 3,072 New Soul Winners Trained & 47 New Churches to be planted in 2 years

Later this month, Pastor Hector Ramirez who serves as our Ministry Director in Mexico, will conduct an Institute in Ciudad Naranjos, Veracruz. This will be his first Institute after a serious illness that almost claimed his life. What a blessing to have him back in the ministry with us. He is a faithful and capable servant of the Lord and it is a privilege to serve with him. Pray for him.

Sula, Honduras

Trained: 13 Pastors & Leaders

Commitments: 2,688 New Soul Winners Trained & 8 New Churches to be planted in 2 years

Another great blessing is the decision of Good Hope Baptist Church in Edgewood, TX. to partner with us in ministry. Please pray for this good church. They have faced some sadness this year with the home-going of their beloved pastor, Bro. Don Burns and the serious burn accident of their now pastor, Bro. Mike Burns. Bro. Mike continues to be hospitalized but is slowly recovering. Thank you for your prayers for these dear people and their faithful pastor. What a JOY to have new PRAYER PARTNERS!

Your Servants for Jesus' Sake,

James G. Adams
