PRAISE & PRAYER LETTER
NOVEMBER – 2018

Dear Partners in Ministry & Prayer:

“And hope maketh not ashamed;...” (Romans 5:5)

Martin Luther once described the 5th Chapter of Romans thusly: **“In the whole Bible there is hardly another chapter which can equal this triumphant text.”** In this great portion of Holy Writ, the Apostle Paul lists some of the benefits of being justified by faith. Among them is **“...hope that maketh not ashamed;...” (vs. 5)**. After returning this week from another ministry trip to Cuba, that verse resonates in my heart with fresh meaning.

Cuban believers have always been an inspiration and a challenge to my personal walk with the Lord. Their love for the Lord and His Church, their dedication and willingness to sacrifice, their hunger for the Scripture and their joyful enthusiasm are powerful examples of what New Testament Christianity is all about. As I mentioned in my last letter, the Church in Cuba continues to flourish and impact that nation in spite of a host of serious social issues. The evidence of that is seen in some recent changes in the Cuban law that eases some of the many restrictions. While it is true that the economic and social conditions there beg for even greater change, the current climate gives hope to many Cubans for a better future. This is especially important since Cuba has the highest suicide rate in Latin America. Hope is a precious commodity there and a desperate need.

What a blessing it is to be a messenger of HOPE to these precious people! What a challenge to see how that **“...hope that maketh not ashamed:...”** is changing lives as our faithful brethren in Cuba demonstrate it in their daily lives as the light of the Gospel shines forth in them!

Below is a brief summary of the blessings of my recent 12 days there. Along with these results we are excited to share that plans are now being made for another time of ministry there in 2019 in at least two new cities. In addition, God willing, we will be meeting with pastors and leaders to formulate a deeper ministry strategy for the WITNESS Project to insure continued ministry in the future.

Thank you for your faithfulness in prayer and financial support. We are especially grateful for your continued and earnest prayers for Kim’s health. God bless!!

Serving those who serve others,
