My Dear Friend,

What a wonderful God we serve! Oh, that we could see mankind through the eyes of our Savior! Note our text verse:

- “The Lord is not slack” - there is never, ever any reduction in His intensity, quantity, or speed in performing His Word.
- “His Promise” - The word “promise” is singular; referring directly to the promise of Romans 10:15 - He saves to the uttermost, His hand of grace is stretched down to grasp the lost man’s hand of faith.
- “Not willing that any should perish” - this phrase reveals a clear picture to us of how each person is seen through the eyes of our Savior. God’s desire for man is: Redemption - Forgiveness - Mercy - Heaven - this is God’s desire for EVERY PERSON!!

Let’s say it again - Oh, that we could see mankind through the eyes of our Savior! And, my friend, that is the privilege and opportunity that we as a ministry team have; to stay focused in sending forth the wonderful GOSPEL message to so many...ONE BY ONE.

October unfolds before us with so many of these opportunities. Thank you for being a part of making this possible...for being a part of this ministry team. Only Heaven will reveal the results of your prayers, sacrifice and encouragement.

India Phase 3 Takes Step #2

On October 6, an ISWDI will be held in each of India’s 36 states. As each State Director trains and equips 50 national pastors, the 2-year potential for the Gospel to reach 50,000 precious souls in that state and 1.8 million nationally will be unleashed. Additionally, scores of house churches will be started.

Does it work? YES! Rejoice with me as I share this stirring testimony from Pastor Prakash Masithi from the Rajasthan State received just 18 months after he was trained and equipped:

“I was working in a company and assisting my pastor. He encouraged me to attend the ISWDI conference. I agreed and it’s there that I learned about personal soul winning. At the end of the conference I received the material in the Hindi language. God touched my heart to quit my job and to be a missionary to a northern district in our state. My pastor said that there was no money to support my missionary work.

My wife and my three children bound with us and we moved to the District very much in need of the Gospel. Being very close to Pakistan, this place is very dangerous and there are many terrorists living secretly in that District.

After renting a house, my wife and I went every day and used the 13-point plan witnessing for Christ to people door by door. In the next 10 months, we shared the Gospel to 2400 people. God enabled us to lead 84 people to Christ. All 84 were baptized and became members of our house church.

We now have 4 house churches with 112 baptized members. My people are being trained in Operation Go and go soul winning every week. We pray for you and you are thankful for The Witness Project. 34 of our young people are now being trained in an ISWDI.”

Wow! Praise the Lord! - - What a report!! My friend, as we take Step #2, training and equipping another 1800 national pastors in all areas of India, let’s bathe these 36 conferences in prayer...as they GO, we GO. Thank you for your sacrifice in sponsoring a state. It made a testimony like this possible. And, it’s happening in all of India’s 36 states as well as other regions of our world.

Reaching The Latino World... Opportunities Expand

Thank the Lord for James Adams... for his leadership, vision and work ethic. He is just returning from spending a month in the Rio Grande Valley. Working with Gary Ellison and Daryl Miller, he has been taping, in Spanish, the entire ISWDI, our discipleship program, and a pastors training guide for Church Planting. All of this will be available to the entire Spanish World from the Trinity Baptist Seminary and on our website. What a giant step forward!

Enabling National Pastors to Plant & Grow Churches

The ‘Advanced Leadership Biblical Studies” Institute is underway in India. The 42 pastors in this pilot program will attend the second of five week-long modular classes on October 12-16. When graduated in February, they will have finished 20 courses covering all areas of Bible, doctrine, and leadership. What a help this will be to those trained soul winners, called of God, and advancing to plant churches.

A True Reflection of “The Reason for the Season”

Each year our “Christmas Wish List Offering” gives us the opportunity to show God’s love to orphans, the homeless, and those in poverty here at home and worldwide. Never has this been as true as it is this year! I encourage you to make this part of your Christmas love gift to Jesus this year. You may view a catalog and give online. Or, call us and let us provide everything you need in order that your church, Sunday school class or group can participate.

Thank You for Caring

“Pure religion and undefiled before God... is... To visit the fatherless and widows in their affliction...”  James 1:27

SOMALIA

- Your gifts are being multiplied in this “refugee” environment. Only eternity will reveal the number fed and housed... and, the open doors for the Gospel that you have provided. While persecution and culture threaten our brethren; numbers of people are being reached for Christ while underground home churches are being planted.

- Teresa Ramirez, Hector Ramirez’s widow - thank you for your gifts of compassion. They are preventing poverty and homelessness for this precious lady, giving her the needed time to become established and serving God within their ministry and church.

- Our “Faith Gift” this month will go to the “afflicted” in the Philippines. So many have been forced to the streets by the virus. No food, no job, no hope... Joey Saucedo will use our gifts to feed orphans and families living on the streets in despair. His team continues, even in “shut down” areas, to win souls daily. Your gift will greatly aid their ability to make a difference.

My friend, 2020 has been crazy! It seems that the devil’s opposition to believers, churches, and our nation has resembled a rifle, set on “automatic firing.” However, it is wonderful to know that our God “is not slack concerning his promise.” This report is a testimony to God’s faithfulness. And, it is an evidence of your sacrifice, prayers, and encouragement.

The next three months are packed with opportunities to plan and prepare for soul winning and revival NOW - and THROUGHOUT 2021. As a ministry team, let’s trust God to truly see mankind through the eyes of our Savior! This is so very important.

You and this entire ministry team that God has raised up is amazing! Thank you again for your sacrifice, prayers and encouragement. Truly, every soul saved is fruit for your account. We love you and pray for you.

Yours For Souls,

David A. Wood, Evangelist

PS - Remember: The 2020s are the “Decade of the Gospel”. Let’s be prepared...
