The International Division of David Wood Ministries

March 1, 2021

My Dear Friend,

Nothing can stop the work of God!! When I read these two verses, our theme verses for the month, God grabbed my attention. In fact, I went back and re-read the entire chapter several times. My heart was lifted and stirred!! "Yes! Even in our present chaotic 'desert and wilderness times' God CAN and IS 'making a way'!"

"Remember ye not the former things, neither consider the things of old. Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert."

- Isaiah 43:18–19

Our Latin America team had just finished a successful campaign in Mexico. The next day, Brother Treadway and myself were discussing this very thing. Doors continue to open... worldwide and right here in the US. The momentum in soul winning training, revival, people coming to Christ, church planting and revitalization is growing. God is good!!

Bryan Treadway Accepts DWM "International Outreach Director" Position

At the January meeting of the ministry's executive board, David Wood asked that Bryan Treadway be approved and installed as the International Outreach Director of the ministry. There was 100% approval by the board and acceptance by Brother Treadway. This entails oversight of all scheduling and their advancement here in the US and worldwide. As you will see in this update, the entire ministry is in the midst of rapid outreach growth. Please pray for Brother Bryan as he moves into this expanding area of responsibility.

"I Will Do A New Thing"

I am thrilled to report to you a few of the wonderful things that God has allowed us to accomplish in the first two months of 2021.

MEXICO

80 national pastors and church leaders were trained in soul winning and church planting. Each left with the complete Operation Go program in their language... after committing to training 1420 lay soul winners in the next two years while planting 19 churches.

The WITNESS PROJECT On Line

Brother Gary Ellison, president of Frontier Baptist Missions, is partnering with us to provide all of the training and discipling material, including Operation Go to the entire Spanish-speaking world through their seminary. James Adams is in the process of recording all of the sessions in SPANISH. This will greatly accelerate our outreach in the Latino world.

24,000 Reached by ZOOM

Due to the leadership and efforts of Dr. Benny Abante, the entire month of January was "Bible Month" in the Philippines. On Friday, January 29, a national conference was scheduled that would reach into several countries. I was invited and honored to speak. What a blessing to be introduced by Dr. Abante, successful pastor and minority leader in the Filipino Congress. They reported that 24,000 listened to the Gospel message on "The Sacrifice That Jesus Made".

GUATEMALA... Gospel Saturation

Guatemala is now the second nation that we have the privilege of making the Gospel available to all the people. Our Central America Witness Project team scheduled 6 campaigns that will train and equip nearly 500 national pastors in this relatively small nation. James Adams will participate in four other campaigns. The first was conducted in February. Two more will be conducted in March, one in May and two more in June. In the next two years nearly 50,000 trained, lay soul winners will be on the field... imagine the impact!

— So much can be done with all of us doing our best. —

"A Way In The Wilderness... Rivers In The Desert."

Good News - we, as a Ministry Team have been asking God for soul winning, revival and church revitalization... the great need in America and worldwide. God is beginning to open tremendous doors of opportunity!! He is able! Note again His powerful promise "I will even make a way in the wilderness, and rivers in the desert".

Our total ministry schedule for the next four months, March thru June, give us reason for excitement and must drive us to prayer.

Scheduled are:

Potentially, worldwide, over 3000 pastors and churches will be trained in soul winning and touched with revival. And yes, that includes 15 churches here in the US!! In April, 4 campaigns are scheduled on the same date. (Included is Brother Treadway, our leaders in India, Bhutan and myself.) What a blessing!! As God allows us to add to our leadership team, our outreach multiplies.

Let's dream for a minute: Imagine a day when our nation has churches in every city that preach the Gospel... souls are saved regularly... great excitement and brokenness are among our people... the baptism waters are stirred... the surrounding areas hear testimonies of changed lives and hope... many are won to Christ by spirit filled soul winners... SOUL WINNING, REVIVAL and CHURCH REVITALIZATION.

Now, as a Ministry Team, more than ever, we need to be steadfast, unmovable and abounding in the work of our wonderful Lord!

VERY IMPORTANT

- Brother Thomas will be going to Bhutan, a new Witness Project country, the first week of April. All of the funding for this campaign is in except for the printing of the literature. 400 literature packs need to be printed at a cost of $3.85 each. Please note that need is noted as our "Faith Gift" on the enclosed response card.

- Hold Bryan Treadway up in prayer!! God's hand is on him.. and, He is using him mightily. Bryan has scheduled several of our meetings and is preaching in most of them. His area of the ministry is growing, even in these difficult days.

It's On The Way - Kenya-East Africa... In August...You Are Invited!!

It is amazing to see what God is doing! Our largest East African campaign to date - the training and equipping of over 300 national pastors who represent numbers of countries - is scheduled for this August.
And, think of this - you are invited! You can do so by joining with us in "A Missions Trip Of A Lifetime". Which includes the entire campaign then a three day African safari. Thank you Peter Chege for your involvement in all areas of planning and preparation.

Pray - Attend a banquet - travel with us - visit our website for full details

My friend, God has allowed us to serve Him in these special days. As an entire
Ministry Team, let's thank Him and continually claim His promise, "- I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert."

Your love, faithfulness, sacrifice and encouragement are amazing!! Truly, every soul saved is fruit for your account. We love you and pray for you -

Yours For Souls,

David A. Wood
