PREPARED OPPORTUNITY - A GIFT OF GOD'S GRACE

A Personal Word from David Wood

2020 – what a year! A list of crisis words like “virus” and “shutdown” dominated the public domain and fought to control our lives. However, through it all, God has proven once again that HE IS IN CONTROL!

There has never been a time when we as believers have needed to focus on “Keeping the Main Thing the Main Thing” as we do today. Let’s refresh our thinking... during the 40 day period between Jesus’ resurrection and ascension, He gave his disciples instructions on how to build the church and win the world.

He basically said, “Go... Win... Baptize... Teach.”

In fact, the first century soul winning Christians were accused of “turning the world upside down!” They understood that God had given them a four step strategy to accomplish His Son’s stated mission – that of “preaching the Gospel to every creature”..... THE MAIN THING!

WELCOME TO WITNESS

(Worldwide Intensified Training of Nationals for Evangelism and Scriptural Soul Winning).

A new way of doing missions.

Born in 1998, WITNESS follows this well-defined Biblical strategy in training and equipping indigenous church leaders with all the necessary tools to take the Gospel across every boundary. It propels the book of Acts teaching on soul winning and church planting into action!

And now, “PREPARED” by God, in a unique way by the challenges of 2020, WITNESS is poised for 2021 to launch into a year of great opportunity.

In this Update, I invite you to visit the needy areas of our world, meet National Pastors whose ministries have been transformed and learn how God has positioned WITNESS to take major steps in GOSPEL outreach.

PARTNERSHIP! Thank you, in advance, for allowing me to spend these few exciting minutes with you. As we step around the world together, I invite you to be prepared to join us – a “Special Team of Believers” who truly believe that our focus should be on the mission that Jesus has entrusted to us – i.e. “preaching the Gospel to every creature.”

NORMAL FIRST GENERATION CHRISTIANITY

Those early “first generation Christians” believed in and practiced soul winning. They followed three simple growth words:

Add. You win someone to Christ and add their name to the Lamb’s Book of Life.

Multiply. You train your convert to win others to Christ.

Multiply greatly. You train your convert to train his converts to win others to Christ.

NOW - let’s discover the opportunities that God, by grace, has freely given to us

“What Our National Pastors Are Saying”

“I was working in a company and assisting my pastor. He encouraged me to attend the ISWD Institute. I agreed and it’s there that I learned about personal soul winning. At end of Institute I received the material in the Hindi language. God touched my heart to quit my job and to be a missionary to a northern district in our state. My pastor said that there was no money to support my missionary work.

My wife and my three children bound with me and we moved to the District that was very much in need of the Gospel. Being very close to Pakistan, this place is very dangerous and there are many terrorists living secretly in that District.

After renting a house, my wife and I went door to door every day for the next 10 months presenting Christ using the 13 point witnessing plan. We shared the Gospel to 2400 people. God enabled us to lead 84 people to Christ. All 84 were baptized and became members of our house church.

We now have 4 house churches with 312 baptized members. My people are being trained in Operation Go and go Soul Winning every week. We pray for you and are thankful for The Witness Project. 34 of our young people are now being trained in an ISWD Institute.”

TESTIMONY

PASTOR PRAKAS MASIHI

Country: India

from Rajastan state

Received 18 months after he was trained & equipped in Pune, India

2021 UPDATE

Experience has also taught us that when a national pastor is trained and equipped through WITNESS, he will return to his church and train 100 other soul winners. Each of those will reach at least 10 others. That’s 1,000 souls who have come into the kingdom in less than 18 months. All because of one man trained by WITNESS and with your help.

The cost? Only \$250 for all the training, the materials (written in his native language), and room and board. Now imagine what can happen when we train 10 at one time...or 20...50...even 100!

Perhaps you’re asking, “What can I do? I’m only one person. How can I make a difference?” Those are great questions. They show you have a tender heart. God is searching everywhere for hearts and hands He can use to fulfill the Great Commission.

So where do you go from here? You can make a difference in two easy ways.

First, pray for us. We covet your prayers. Christianity is engaged in a spiritual warfare throughout the world. We’re up against persecution, rising nationalism, militant religions, and hostility to anything of God. Your prayers are never taken for granted.

Second, partner with us in ministry. Perhaps God has spoken to you about a particular area of the world. You can help us make significant inroads there. For every 25 cents given to WITNESS one soul is saved. One dollar rescues a family of four! So if you’re looking for a way to make a visible difference, this is it. Partner with us.

An extraordinary opportunity awaits you. You can help us take the Gospel to every creature. So don’t lose another day. Join us, won’t you? I guarantee you’ll never be the same!

You may use the response slip on the reverse side to “Join the TEAM.”

Turn it in to a representative in a public meeting or mail at your convenience.

2021 UPDATE

And - God's "Open Doors" of Opportunity Blessings Are Just Beginning -

How exciting "to look" around the world together and see God's hand at work! But, may I stop a minute and ask you a personal question? "When was the last time you woke up early in the morning with a burning desire to accomplish something?" A time when the Holy Spirit put a desire in you to be a part of something bigger than you are. A desire to do His Work....

This desire, "turning VISION into ACTION", has assembled a special ministry team over the last 22 years. A "team" focused on one thing - "Preaching the Gospel to every creature". Our Biblical strategy has been the The Witness Project.

May I take a moment to review..... The WITNESS Project follows a well defined Biblical strategy in training and equipping indigenous church leaders with all the necessary tools to take the Gospel across every boundary. It propels the book of Acts teaching on soul winning and church planting into action!

- WITNESS focuses on indigenous or local church leaders.
- Every soul we win, every step we take in obedience to God has a ripple effect around the world.
- It has been said that for every soul winner trained, you can expect at least 10 others to come to Christ.
- Thousands of believers, from over 90 countries, have been trained and equipped... worldwide... in soul winning techniques.

As you review the closing information in this UPDATE, you will find that our leadership continues to expand here in America and worldwide. Also, you will be invited to join this very special Ministry Team. Your decision answers the question -

..... WHAT CAN I DO.... ?

Think about the 50% around our world who have never heard of Jesus... even one time! Wishful thinking isn't a strategy. Hope isn't enough. We need engagement! Otherwise those precious souls will never hear the Gospel!

WELCOME ABOARD!!

"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."
- 1 Corinthians 2:9

"Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God."
- 1 Corinthians 2:12

"For since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him."
- Isaiah 64:4

Thank you for your generous support of this area of ministry... for "The Witness Project" - and for your partnership in delivering the Gospel to so many unreached people - Worldwide.

INDIA PHASE 3 IS A BIBLICAL STRATEGY.

Please allow me a minute to expand. God has given us a qualified Director in each of the 36 States. He is a national pastor, trained and equipped in his own language. Using Operation Go, he has trained scores of soul winners and many of these pastors have doubled their churches.

Each of the 36 states need a sponsor. This allows the State Director to conduct an ISWD Institute; in which he will train & equip 50 additional National Pastors in his home state!!

The potential in reaching the lost is so wonderful!! -

In two years, these 50 national pastors will train some 100 soul winners in their home church reaching nearly 5000 precious souls. In turn, the efforts in that one state will reach 50,000 people with the Gospel while planting hundreds of "house churches! (See page 6 to read how God used one pastor, Prakas Masihi, this past year in only 18 months...Amazing!)

Nationally, in all 36 states a total 1800 national pastors will be trained and equipped. Potentially, some 1.8 million souls will then be reached with the Gospel while numbers of "house churches" are planted.

To take one step, each of the 36 states need a sponsor. Because of the sacrifice and prayers of our "Ministry Team", we were able to take Step #1; training and equipping 50 national pastors and all 36 states in January of 2020. Again, because of the response of God's people, Step #2 was taken in the Fall of 2020.

We are preparing to take Step #3 in the first few months of 2021. We are asking the Lord to once again provide the 36 state sponsorships needed. Again, we thank you, our friends for partnering with us in changing the eternal destiny of so many....

(Visit us on line to learn more about India Phase 3 and to register the sponsorship of your chosen state.)

"CHURCH PLANTING" TAKES AN EXCITING STEP FORWARD

INDIA: NATIONALS TRAINED IN SOUL WINNING RECEIVE BIBLE INSTITUTE TRAINING

We have longed to equip National church planters with one additional tool... Bible Institute Training. Enter the "Advanced Leadership Biblical Studies" (ALBS) Institute. Each pastor will be provided a foundation in Theology, General Biblical Survey and Leadership Skills. What a joy to announce that this desire, by FAITH, has now taken a major step forward in becoming a reality. In February of 2021, a pilot program was completed with 42 young men in training. As the Lord enables, we will expand this model in other countries.

Please visit us on line and monitor this unique training approach complete with a complete listing of the courses taught. You will be challenged.

Positioning for the Future

Thank the Lord for James Adams. Under his leadership, vision and work ethic, opportunities for Gospel outreach are expanding throughout the Latino world.

Concluding 2020, he invested a full month of ministry in the Rio Grande Valley. Working with Gary Ellison and Daryl Miller, he finished taping, in Spanish:

- The entire ISWD Institute
 - Our "Fruit That Remains" discipleship program
 - A pastors training guide for Church Planting
- Additionally, "Fruit That Remains" now has Spanish subtitles.

Imagine the impact as these courses and ministry helps are now available, at no cost, on our website! Additionally, they are available as courses from the Trinity Baptist Seminary which is a Witness Project ministry partner.

2021 promises to be a year when the Gospel outreach in LATIN AMERICA is greatly multiplied. Not only will the above outreach tools be utilized; but, a full ISWD Institute schedule is planned. New countries will be reached as well as ministry expansion in existing countries. Included will be Santa Cruz and Cochabamba Bolivia.... Montevideo, Uruguay.... Concepción, Chile.... Santo Domingo, Dominican Republic.... Mia, Cuba.... Rio Bravo, Mexico and other areas.

Soul Winning - Revival - Church Revitalization

Soul Winning - Revival - Church Revitalization

We have felt a pressing need from God to refocus efforts on America. The Biblical outreach approach used around the world is desperately needed. We covet the prayers of God's people. 2021 was kicked off for soul winning and revival by the well attended national, virtual 21st Century Soul Winning Seminar.

We thank the Lord that Bryan Treadway has joined the ministry team. He will lead the charge as we conduct Crusades.... recruit young people on college campuses.... expand Operation Go..... develop leadership through Soul Winning Directors Institutes.... and key on Church Revitalization.

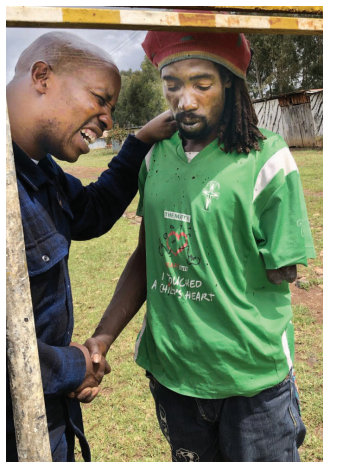

"The only thing necessary for the triumph of evil is for good men to do nothing."
Edmund Burke

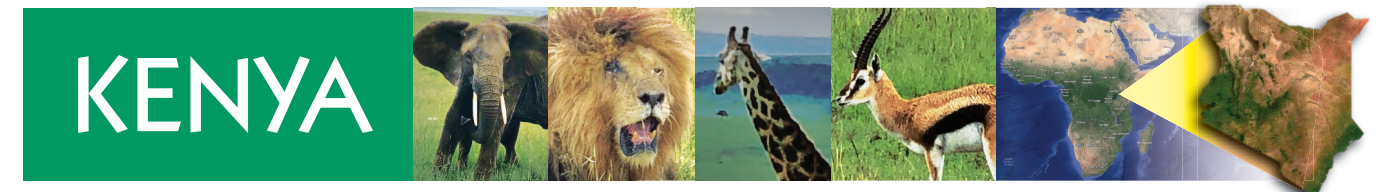

Kenya has proven to be the "launching pad" for the Gospel in East Africa. In December of 2019, we experienced a real moving of God as we conducted our second ISWD Institute in that region... the results were staggering. Delegates attended from seven African countries. Nearly 300 National Pastors were trained and equipped... in their own language! Their 2 year commitment was to train 32,428 Soul Winners while planting 191 churches. Tracking the God given results has been reading from the book of Acts.

We were able to establish leadership under Peter Chege, our Witness Project East Africa Director, for all 7 countries - Kenya, Uganda, Somalia, North Sudan, South Sudan, The Congo and Tanzania!!

Now, IN AUGUST OF 2021, we will return. From this established base, we will be able to reach deeper into the African continent. We must praise the Lord to announce that even in unreached Somali, God has called nationals, trained and equipped with all material in Swahili.... scores have been won to Christ and, to date, 7 house churches have been planted.

THE WITNESS PROJECT RELIEF FUND

The impact of the Corona Virus was worldwide. Our leaders and their people faced crisis, hunger and hopelessness. Starvation has reached a critical point. Requests, pictures and pleas from our Witness Project directors have been heartbreaking.

This has moved us to set up a permanent "Witness Project Relief Fund"; enabling us to move quickly. Already thousands have been helped... in India, Kenya, Somalia, South America and even the precious widow of one of our directors in Mexico, who died suddenly.
