*"And the word of God increased;
and the number of the disciples
multiplied in Jerusalem greatly;
and a great company of the priests
were obedient to the faith."*

– Acts 6:7

Dear Partner,

November 1, 2021

God, in His goodness, continues to "rain" blessings upon our ministry outreach! For us, as a "Ministry Team," this is truly exciting and humbling! Notice, in our text verse, that the early disciples were experiencing similar blessings! The verse reveals to us, step by step, the heart and passion of their ministry. It gives us a pattern. Walk through these Biblical steps with me ...

- "The Word of God Increased" - the Gospel went forth as they practiced Biblical soul winning!
- "The Number of Disciples Increased" - the lost were saved and discipled and began to reproduce!
- "The Number... Multiplied.... Greatly" - Their obedience was rewarded by exponential growth as new believers were trained to win others!
- "A Great Number of Priests were Obedient to the Faith." - Fear in witnessing was removed! They saw that in the presence of the Gospel, there were no hard cases!!

This month it is a joy to report several outreach areas where God is blessing with similar "Increases." Also, to report that our combined Christian compassion is opening doors to share "the Word of God." Additionally, we will note that the countdown for our total ministry's transition is on track for a January 1, 2022 launch as we "Prepare For The Next Generation."

But first, allow me to rejoice with you over this final quarter of 2021... we are in the midst of the greatest season of outreach that our ministry has known!! God is so good! Let's be sure to give Him all the glory. Now, let's take a look at what HE "has" and "is" doing these last three months...

October - A Wonderful Season Of Reaping

"- the number of the disciples multiplied - - greatly;"

INDIA

Step #4's Glorious Report!!

The first week of October, through God's provision, ALL 36 STATES held a campaign! The projected goal was that each state would train and equip 50 national pastors from WITHIN THAT STATE in soul winning and church planting. Here's what God did:

- A total of 2401 national pastors were trained and equipped.
- They committed to train 94,897 lay soul winners in the next 24 months while planting nearly 6,000 house churches over the next 24 months.

PRaise THE LORD!! The strategy of India Phase 3 is based upon a decade of ministry development and leadership training. I encourage you to use the QR Code to review the entire strategy of India Phase 3. The Lord willing, we will be following this same Biblical model in Africa and other areas of the world.

Ready for a blessing? The following are the results of all 4 of the steps taken in India Phase 3 to date:

- A combined total of 9,451 national pastors have been trained and equipped.
 - They have committed to train 237,619 lay soul winners while endeavoring to plant 51,613 house churches.
- With reports in, even during Covid-19, nearly 2.4 million souls have, are, and will be reached with the Gospel!

Shall we lift our voices in Thanksgiving and praise? You bet!!

In 2020, we asked the Lord for His provision allowing us to take 2 steps per year, one in the Spring and the other in the Fall. This faith goal has been honored! Step #1 was taken in April of 2020... #2 in November of 2020... #3 in April of 2021... and now, #4 in October of 2021. Together, by faith, let's take Step #5 in the Spring of 2022. Two state sponsorships have already been committed! Again.... GLORY!!

India Phase 3

BHUTAN

BHUTAN

9 Of Bhutan's 20 Districts Were Reached In Our First Ever Campaign

In October, Thomas Maher, our India Director, took a team of 3 into Bhutan. The campaign was not permitted officially; but the team entered by faith realizing that the Bhutan government did not support Christianity.

This is the first time that Operation Go was taken to Bhutan! The results were such a blessing. Even with COVID-19 and other opposition, 128 national pastors attended!

These pastors made a big commitment at the end of the conference. They committed, after returning to their churches, to train 6,817 lay soul winners while planting 426 home churches... in two years... in a Buddhist country!

Brother Maher's report, from Bhutan, reads like one of the areas mentioned in the Book of Acts. Use the QR Code to read this report in HIS OWN WORDS. God is assembling a team, like these three national leaders, to partner with us worldwide. Our mission: "We Equip Believers to 'Make Him Known' Globally" would be impossible without an expanding team backed by YOU... praying, committed "MINISTRY PARTNERS." Thank You!!

CENTRAL AMERICA

October also housed the last of our series of campaigns centered in Central America. This was truly a season of great revival! Additionally, the spiritual and functional infrastructure was built to launch and continue. Revival continues as so many wonderful doors open for additional outreach in the future.

Again, let's thank the Lord for the team He is building... James Adams... Roberto Gomez... Bryan Treadway... and many others Nationals are building on this foundation to strengthen and grow our outreach into all of Latin America.

November - The Joy Of "Thanksgiving Become Thanks-Living"

"And the word of God increased!" ...Compassion Makes A Difference!"

It's November, Thanksgiving month, let's theme our attention this month on the outstanding potential of our "Christmas Wish List Offering." But first; allow me to share two very important campaigns. They will be conducted in opposite divisions of the globe and continue to increase our ministry outreach!!

- Bryan Treadway travels to BOLIVIA - On November 3-8, Brother Bryan will be in Bolivia working with national pastor Joel Villarreal. Together, they will be conducting an Operation Go campaign. Additionally, Bryan will be developing national leadership and a ministry foundation for South America.

- Sonny Lahaylahay, part of our national leadership team in NEW ZEALAND, will be hosting and conducting an Operation Go Campaign November 11-13. 15 area pastors will be attending.

My friend, let's not take for granted these major ministry outreach expansions of the Gospel. Let's pray and trust God for great victory.

NOW, let's give thanks for the great opportunities God has given us to express CHRISTIAN COMPASSION, making an eternal difference in the lives and souls of so many that are in need! This area of Thanksgiving becomes real life Thanks-Living!!

Let's review for a minute. Your sacrifice has already provided aid to two precious widows and their children. Both families were left behind when their husbands tragically died. Their husbands were part of our national team members who faithfully served in reaching the lost.

First, in Mexico, Teresa Ramirez, wife of pastor Hector Ramirez Garcia and then, in India - Pastor Abraham Babu's precious widow and two small children. Let's continue to pray for these and rejoice that your past gifts continue to meet their needs!

NOW, let's turn our hearts to an area of ministry that God has chosen to bless mightily... where YOUR worldwide relief and compassion are truly making a difference.

Our Annual -

Christmas Wish List

O F F E R I N G

WISH LIST

What a joy to know that through our Wish List Offerings every gift, regardless of size, will touch the lives of orphans, neglected destitute families, the poverty stricken and many, many others in places like India, Myanmar, Africa, the Appalachian area of our nation and other regions suffering disease, poverty and neglect.

Please prayerfully review the beautiful, descriptive Christmas Wish List Brochure... via the QR Code. As you do so, invite your family members, Sunday School class and friends to join with you in reaching out. Imagine the number of people that could be helped and reached with the Gospel if EVERYONE would do something. In fact, please note on your response card that our "Faith Gift" for this month will go towards fulfilling these pressing needs.

Again, join with June and I; let's everyone participate... remembering, even the smallest gift will be big in the life of a child or family with virtually nothing!

December - *Sharing Jesus, "The Reason For The Season"*

"And a great company of the priests were obedient to the faith."

December consummates the last quarter of 2021. In December's "MINISTRY TEAM" REPORT, we will expand greatly on **JANUARY 1, 2022** - noting the wonderful things that God is doing as HE is positioning us to reach the next generation.

However, there are several things of which we need to be aware of now to pray, prepare and move forward together in focus and partnership. So, walk with me as we dream together for a few minutes -

KENYA

On December 6-16, the Operation Go Campaign, with 400 national pastors and leaders attending, will not only be our largest yet; but will establish trained leadership in this marvelous country! All delegates will be trained and equipped in soul winning and church planting. Then, they will receive the entire Operation Go program in their own language. Brother Bryan and I will be joining Brother Peter Chege in Kenya.

EAST AFRICA

Potentially, half of the 19 countries that constitute East Africa, will be represented in this campaign. Not only will they be trained in soul winning; but they will practice it on the streets and in the market places. An area wide crusade will give us the opportunity for all to see large numbers of people coming to Christ. As the Holy Spirit works, we witness, first hand, that there is no one that is "too hard to reach" for our LORD!

All 54 Countries In AFRICA

Can we dream of God allowing us to reach statistically into all of Africa just like India? YES!! With the completion of our Ministry Training Center and trained leadership in place, is it too much to ask the Lord for all of Africa? In fact, other regions of this needy continent are reaching out to us for help.

APPALACHIAN Region

Once again, this year, we have the opportunity to help in an area of real need... right here in the USA! I'll have the privilege, once again, to share the Gospel at a distribution center in West Virginia where children and their parents will gather for a Christmas celebration... food, gifts, Bibles and love will be distributed. I wish that you could be with me just to see the smile on the faces of the precious children.

Christmas Day

Yes, it is all about JESUS! He is "the reason for the season." Let's begin to plan now to honor HIM more than ever before. Think of the matchless joy and blessing... if in these last two months of 2021, each one of us would pray and plan to share our testimony, the wonderful Gospel and see someone come to Christ!!

Ministry Launch Into 2022

Watch December's special announcement concerning New Year's Eve! Everything will be in place... our new website completed... an explosive Social Media strategy... words like "relationship and stewardship" will take on new meaning as we serve you and move our partnership to a new level. Above all, the Word of God WILL INCREASE!!

We have introduced QR Codes into this month's update. If you have not already done so, you might want to go back, click on these and gain more information over these areas of ministry. The Wish List QR code will take you directly to the catalogue.... Don't Miss it!

YES, NOW... more than ever, the future before us, as a "Ministry Team" is as bright as the promises of the Word of God! Your prayers, partnership and generosity have brought us to this point of ministry and worldwide outreach. THANK YOU! Let's review this month's challenging verse once again:

"And the word of God increased; and the number of the disciples multiplied in Jerusalem greatly; and a great company of the priests were obedient to the faith." - Acts 6:7

Person by person...soul by soul... "one by one"... we lay up treasure in Heaven! Truly a reason to be THANKFUL!

From our hearts, June and I, along with our entire ministry team wish you a blessed and special Thanksgiving Season. You are appreciated and loved.

Yours For Souls,

David A. Wood, Evangelist

P.S. Please note as we transition that all legal and accounting work is being done ahead of time ahead of time so that we are completely ready by the first of the year. As a result, we need for our donors to begin writing their checks to OPERATION GO INTERNATIONAL. Isn't that exciting?? Just one more step towards getting ready for our next generation of outreach!
